NEVER ALONE ON THIS JOURNEY

Lumina

MISSION

Lumina by Landis Communities is a person-centered dementia initiative that walks alongside individuals, families, and organizations to create meaningful paths forward after diagnosis. Built on more than 60 years of trusted care at Landis Homes, our mission is to transform the dementia journey through education, compassion, and innovation.

This journey doesn't ask you to have all the answers, or to face it alone. Through Lumina, we walk beside you, seeing not just the diagnosis, but the whole person you are and always will be.
